The 1st Annual Friends Of St. Frances Cabrini Cancer Center Benefit was held June 24, 2017 in Alexandria, LA at the LSUA Arena. The day started out with a little fun, doctors and nurses from the cancer center participated in a stick horse barrel race. Then we moved on to our Youth 15 & under 5D barrel race where we watched 84 talented young kids compete for money and belt buckles. After the youth, we watched 258 Open 5D barrel racers also compete for buckles and money. We had a few side pot races where contestants could roll their times over for a second chance to win a little money, 126 contestants took that chance. LSUA arena is a covered facility but we still ran into a few minor issues, the weather. LSUA is not big enough to accommodate the number of contestants we had. We actually had to drag out this race so we could allow contestants arena time to warm up due to no covered warm up area. All in all, contestants and spectators were patient because we all knew the reason behind this event. At the end of the day, we had 468 entries and we paid out a total of \$18,390.00. From our barrel race and silent auction, we raised \$13,000.00. We also had one barrel racer that entered who is part of the Pennington Biomedical Research Center in Baton Rouge, LA that contacted us after the race and they have donated \$25,000.00 to go along with our \$13,000.00 donation. This makes our total donation to the St. Frances Cabrini Cancer Center Patient Assistance Fund \$38,000.00.

\_\_\_\_ **PLATINUM SPONSOR - \$1000.00** Sponsor name/logo will be placed on entry forms and all advertising material. Sponsor name/logo will be placed on the barrels used during event .
